32. Coin of Britain, Marcus Aurelius Carausius, inscribed Expectate veni. (British Museum)
ACKNOWLEDGMENTS

Many people helped me during the writing of this book. I should like to thank especially Geoffrey Hartman, Paul de Man, J. Hillis Miller, and W. K. C. Guthrie, whose careful readings of parts of the manuscript were invaluable. To George Steiner, Charles Drekmeier, and the late Jacques Ehrmann I am deeply grateful for the advice and encouragement they gave. I should also like to thank Robert Fishman and Susan Meld, who reminded me of work that remained—and still remains—to be completed.

Preliminary research for this book was supported by a generous grant from the Danforth Foundation. The book has been published with the help of a grant from the Humanities Research Council of Canada, using funds provided by the Canada Council. Photographs are reproduced by permission of Hirmer Fotoarchiv and the British and Ashmolean museums.
